Dear Parents or Guardians:

Please complete the following information regarding the placement of your child for the 2010-2011 school year. We will use your comments along with the input of your child's current teacher to determine placement. Among our considerations will be:

- Teaching styles/student learning styles
- Maintaining an appropriate balance in each classroom
- Class size (to ensure all classes begin the year with an equal number)

Teacher request forms for students entering grades K – 6 will be available May 3 – May 14, 2010. Request forms are available at your child's current campus or online at www.ptisd.org. Teacher request forms picked up at your child's current campus have a list of the next grade level's teachers on the back. If printing your request form from the district website, please refer to campus web pages for a list of teachers at each grade level.

Describe below the teacher characteristics you think will be a good match for your child.

Describe below any of your child's personal, health, and academic characteristics that will help us make an appropriate placement.

For specific teacher requests to be considered, eight names *must* be listed below. (NOTE: They will not be considered in any particular order when making placement decisions. Every effort will be made to honor your requests, as long as we can be consistent with our placement criteria listed above.)
